

WASHINGTON WELLNESS Fitness Club Discount Program

Who is Washington Wellness?

Washington Wellness is part of the Washington State Government and can be found online at www.washingtonwellness.gov.

What is the Fitness Club Discount Program?

The Fitness Club Discount Program is a directory of fitness facilities that have, for the most part, offered discounts to WA state government employees, retirees, and dependents.

What are the benefits of participating?

By listing your facility in our directory, you will be helping Washington Wellness in the promotion and support of physical activity in the state. In addition, as part of our Fitness Club Discount Program, your listing will be actively promoted to 300,000 potential customers (the state employees, retirees, and dependents that Washington Wellness serves) through direct, employer, and health plan communication channels.

How much does it cost?

Nothing. There is no absolutely no charge for participating.

What facilities can participate?

All fitness facilities are welcome to participate. Examples of facilities include fitness clubs, health clubs, gyms, yoga studios, Pilates studios, and martial arts facilities.

Do I have to offer a discount?

While it would be greatly appreciated and may help to drive business, no. All discounts are optional and your facility will be listed regardless of whether you provide a discount or not.

How do I find out more or participate?

For more information and to submit your application, check out the:

FAQ
